RE: LOAD SHEDDING REQUIREMENTS AND SCHEDULE FOR THE MADIBENG LOCAL MUNICIPALITY

The above mentioned subject bears reference:

The Municipality is an authorized electricity distributor and obtains electricity from the Utility Eskom and guided by the Code of practice as enshrined in the standards. It is expected of the Municipality to comply with the set standards in the main about quality of supply in cases of emergencies.

The Municipality has developed schedule of possible load requirements and groups of customers to be affected at required times. Attached hereto find the required documents for your attention. These documents will also be publicized on the municipal website and local press to allow consumers plan their electricity requirements.

For any clarities please contact the undersigned on (012) 318 9500/9380 office hours.

Regards,

T. MOTLASHUPING
ACTING MUNICIPAL MANAGER
